

Remembering Someone Special

WITH Alice House Hospice

Alice House Hospice
Serving the communities of
Hartlepool & East Durham

We know that grief is distressing and that every loss is a very personal one. Special people can't be replaced but we can offer a few ways to help you celebrate the love that you shared.

This leaflet aims to give you some ideas and inspiration for the many ways you can celebrate the lives of special people.

"When someone you love becomes a memory, the memory becomes your treasure."

Asking friends and family to make a donation to Alice House Hospice is a wonderful way to remember a loved one and celebrate their life.

Your donations mean a lot to the patients, families, staff and volunteers at the Hospice.

Remembrance Events ...

Light up a Life takes place at one of the most poignant times of the year, and often one of the hardest we have to face without our loved ones. Each light on the tree is dedicated to someone special and when lit offers a moment to share our grief together. Commemorative badges are sent to all who take part.

A donation is recommended. **Attendance at the event is free.**

Trees of Remembrance are available throughout December. You can write a personal message on a bauble of your choosing for display on our 'mini forest' of trees.

Forget Me Not - Spring is a wonderful time of year and a perfect opportunity to remember lost loved ones. In return for a donation and dedication, we will display your personalised Forget-Me-Not plaque in the Hospice garden, commemorating the life of the person you are remembering.
